-----------------------------	----	-----	---------

**Notes:**

1. CDs provide authentic pronunciation guide for vocabulary covered in the Practical Program books. Voices used for modelling are by male and female native speakers. In the case of Spanish, the accent used is Castilian Spanish. There is no specific audio for the Blackline Masters.
2. Posters are standard A1 size in gloss paper. Flags are in true colour. Maps are in monochrome (purple).
3. Blackline Masters follow the themes in the Practical Program books, but teachers do not need to have the Practical Program books for the Blackline Masters to be useful in class.
